The TKE boys celebrate a successful runout night

State of the Fraternity Address

The Alma College TKE Fraternity is led by Marcus Owens Jr. (prytanis), Dylan Kast (epiprytanis), Brandon Bellant (grammateus), Jack Cataldo (crysophylos), Aaron Jaciuk (hegemon), Jacob Omans (hypophetes), Ty Kennard (histor), Hunter Smith (pylortes) The TKE Zeta-Delta chapter doubled our club size last year from 17 fraters to 35 fraters at year end. We graduated 9 TEKEs but are making plans to get to 50 fraters by the end of the school year. As we came to the end of fall rush, we were able to increase our chapter size from 25 fraters to 38. The goal of 50 fraters is within reach due to the valiant efforts of our rush chairs Aaron Juaciuk (junior) and Andrew Omans (sophomore).

HomeComing 2022

Alma College's 2022 Homecoming was a blast. Unfortunately, due to bad weather, it wasn't as much of a showout as we wanted. We'd like to thank all of the alumni that showed and donated some historical items. We kicked off the celebration bright and early with coffee and donuts. Later, we participated in the parade, where we gave out Red Carnations and candy. After this, we enjoyed hotdogs and good conversation. It was an absolute pleasure to hear and learn the stories of the past and feel the rich history and fun. Furthermore, we rallied and cheered for our fellow Tekes at the football game where they emerged victorious, 69-0. We then celebrated with burgers and good times. We appreciate all who came to our festivities and we invite you to come next year!

Conclave 2022

This year's biennial TKE conclave was hosted in Houston, Texas at the Marriott Marquis. The Zeta Delta chapter was able to send four brothers to this event from July 24th to July 27th. Jack Cataldo, Oshyn Carnes, Jacob Omans, and Dalron Gray had the experience of perceiving the fraternities functions at the highest level. All of the Grand Council was in attendance along with the CEO, Donald Aldrich. Some highlights of the event were listening to Micheal E. Fossum and Jed Collins speak to our brotherhood. Fossum was a former NASA astronaut and Collins is a former NFL player who is now a Certified Financial Planner. The Mariot Marquis was a fantastic venue and our chapter's representation was mentioned in many great ways as we accepted the 100% KRA award and an award for raising over 5,000 dollars for St. Jude. We were also able to witness the president and CEO of ALSAC, Richard Shadyac, Jr., be initiated into our bond. Our brothers had a great time and learned from many highly rated individuals who donated their time to us. In conclusion, Conclave was a fantastic experience and the next event will be held in Florida in 2024.

PHILANTHROPY

The Zeta Delta chapter has a philanthropy goal this year of raising over \$10,000 for St. Jude. Last year we raised over \$5,000 which included fun events for the campus including a talent show, a basketball game, and the annual car wash! Having this opportunity to travel to Memphis and work hands on with St. Jude will give the brothers a experience unlike any other! We will be able to see what our hard work brings to families in need and the impact we can have on people's lives!

TEKES TAKE MEMPHIS

On December 11th, the brothers of TKE will be taking a group of 16 individuals from all around campus to Memphis, Tennessee to volunteer at St. Jude Children's Hospital. At St. Jude they will be helping sort donations and gifts from the holiday season. As well as volunteering for St. Jude, they will also have other volunteer projects with Serve 901, where they will be helping around the city of Memphis. They will be volunteering throughout the week of the 11th to the 17th. Outside of volunteering, the group will be able to soak in Memphis with a city tour and other excursions to make this experience one to remember!
